August 2023

---

## WORK EXPERIENCE

### ITSC group

MERN Stack Developer Intern

Beirut, LB

Feb 2025 – April 2025

- Engineered a high-performance ride-hailing app using React Native and Node.js, enabling seamless booking, real-time tracking, and secure payment integration.
- Designed an intuitive UI/UX with Material-UI and Tailwind CSS, and Redux improving user retention by 30% through enhanced accessibility and smooth navigation.
- Optimized API calls and database queries, reducing server response time by 40% and ensuring a fast, lag-free experience on both mobile and web platforms.

### Quantum FinTech Leap

Frontend Web Development

Beirut, LB

Oct 2023 – Oct 2024

- Developed interactive dashboards and financial tools using React.js and Chart.js, enabling real-time stock tracking and improving user decision-making.
- Refactored legacy codebase and implemented modular components, reducing technical debt by 35% and streamlining future development.
- Collaborated cross-functionally with design and backend teams to roll out new features 30% faster while maintaining high code quality standards.

### Ayoub Computers

IT Technician Intern

Beirut, LB

Oct 2022 – Sep 2023

- Ensured the functionality and security of 50+ digital systems and hardware by performing regular diagnostics and updates.
- Reduced system downtime by 20% through proactive maintenance and prompt troubleshooting.
- Resolved 100+ technical support requests with an average resolution time of under 45 minutes.

### Modern University for Business and Sciences

Volunteer

Beirut, LB

Nov 2021 – Nov 2022

- Organized 5+ community events, each attended by 100+ participants, fostering engagement and outreach.
- Contributed to event logistics and coordination, reducing setup times by 10% through efficient planning.
- Secured resources and partnerships, increasing support for events by 10% compared to previous years.

---

## OTHER EXPERIENCE

### Kempinski Summerland Hotel & Resort

In-Room Dining Services (Seasonal)

Beirut, LB

May 2017 – Sep 2017

& May 2019 – Sep 2019

- Delivered exceptional in-room dining experiences, ensuring 99% order accuracy and timely fulfillment for guests.
- Maintained high service standards by coordinating with kitchen and service teams, improving order efficiency by 25%.
- Assisted in managing guest requests, contributing to a 20% increase in positive reviews and enhancing overall customer satisfaction.
